Hence *Home Assignments* must be given to all students of all semesters covering all papers/courses.
2. A comprehensive departmental chart displaying all papers of all semesters and name of respective teachers should be sent to the principalramananda@gmail.com within 20th April,2020.
3. Presently the evaluation process through *online Home Assignments* (sending, collecting and evaluating) of all papers of Hons. and PG students is going on. The scores are to be recorded in the format provided to all teachers. For Programme students also paperwise/coursewise evaluation process through *online Home Assignments* (sending, collecting and evaluating) will be conducted.
4. Teachers will also be provided with another format in connection with online classes/sending study materials to WhatsApp groups/for website/Home Assignments,etc. Datewise online *teaching-learning* activities are to be recorded in that sheet from 21st March, 2020 till the resumption of regular classes.
5. To ensure uninterrupted teaching and learning at home and minimise academic loss we should make use all kinds of digital platforms for the productive use of the time.
