MESSAGE

I stepped into Ramananda College as Principal towards the close of 2025, drawn by the luminous legacy it had woven over eight decades of unwavering service to the nation and humanity. In my heart burns a fervent belief: this institution can soar to unparalleled pinnacles of excellence, emerging as a beacon of higher education, revered across our state and nation. Together, we shall elevate both academic pursuits and extracurricular endeavours, forging students as vital architects of our nation's destiny.

I hope to be able to emulate the illustrious ex-Principals of the college whose visionary helmsmanship has sculpted our institution's majestic eminence. I also consider myself fortunate to have a group of devoted educators as my colleagues.

I am proud to inform you that the National Assessment and Accreditation Council (NAAC) awarded Ramananda College a grade of "B++" during the third cycle of its evaluation of our college in 2021. This will inspire us to ascend ever higher toward the pinnacle of autonomy, where our institution's wings shall fully unfurl.

Our college offers 20 UG Major programmes and 5 PG programmes under the NEP-based CBCS of Bankura University. We also offer a number of enriching Certificate Courses that are of great practical use to students. Our students perform well every year in the University examinations, often obtaining University ranks: in 2025, 2 students received the "Outstanding" grade and 32 students received the "Excellent" grade in their final results.

The Central Library, one of the largest in the district, contains over 45,575 books. It also provides students access to academic journals, newspapers, and other resources they can use to find jobs. For recreation, the college boasts a full-length football field that is also used for cricket in the winter, and a fully equipped gymnasium used by faculty and students alike. The College boasts of a museum of its own containing objects that illustrate the history of Bishnupur and Bengal. For those interested in greenery, there is a Medicinal Plants Garden that grows herbs used for thousands of years in traditional medicine.

The College ardently encourages co-curricular and extra-curricular activities through vibrant student societies, cultural events, counselling services, wellness initiatives, and modern sports facilities. Our illustrious alumni, working not just across India but across the world, provides an enduring source of mentorship for our students, fuels the College's ascent, and bestows profound gifts upon society through a mosaic of noble initiatives. The College's football teams are among the best in the state, winning both district-level and state-level championships regularly. In 2025, the College's men's football team became champions in the Inter-College Football Tournament organized by Bankura University.

At Ramananda College, we forge an environment where our students pursue excellence in order to better serve society, and through it, the nation. This also enables them to become compassionate and morally sound human beings, which makes them a credit to society.

I welcome all prospective students to join us in the journey towards the pursuit of knowledge and humanity. Together, let us continue to uphold this legacy of excellence.

Warm regards,
Dr. Sudipta Kumar Ghorai
Principal

Ramananda College is a pioneering higher-educational institution located in Bishnupur, in the district of Bankura. It is the sole co-educational degree college with PG courses recognized by the UGC within the town of Bishnupur. Since its inception in 1945, this institution has been serving the cause of higher education in the local community and also of students from remote villages. Even today, students from other districts study here.

Sri Ramnalini Chakraborty, a freedom-fighter and social worker of Bishnupur, Sri Radhagobinda Roy, the founder-principal of this college and a former minister in the Government of West Bengal, and other eminent community members of Bishnupur decided to establish this college here. Sri Ramnalini Chakraborty, the Koley family, Sri Anil Kumar Bhattacharya, members of the Friends' Union Club, and the community provided almost the entirety of the funds used to build this college.

The college is named after a son of the soil, Sri Ramananda Chattopadhyay (1865-1943), a journalist, editor, and scholar who was active during the Bengal Renaissance.

Initially, the college was affiliated to the University of Calcutta, and later to the University of Burdwan. Since 1st January 2017, it has been affiliated to Bankura University. The college is recognized by the UGC under Sections 2F and 12B of the UGC Act, 1956. As the college was established before Independence, it predates the creation of the UGC as well as that of the University of Burdwan. In 2015, during the college's second assessment cycle, the National Assessment and Accreditation Council (NAAC) re-accredited the College with a score of 2.75. Furthermore, with the introduction of different Post-Graduate courses in Science and Humanities subjects, the college has become a constituent college of Bankura University. The college is also compliant with the vision and mission of RUSA.
